Je nach Breite des Fensterrahmens kann man mit Hilfe der Klebepunkte den Abstand zwischen Haken und Fensterflügel regulieren.

Suivant chaque épaisseur de cadre, régler le positionnement au moyen des autocollants.

Put the hooks on the window frame, depending on the size of the window frame you can adjust the distance with the glue dots.

Il posizionamento del gancio può essere regolato con i punti adesivi secondo la larghezza del telaio della finestra.

Pueden regular la posición de los ganchos con los puntos adhesivos según el grosor del marco de la venta.
